

Bradford T. Doll

Principal

1111 Third Avenue
Suite 3000
Seattle, WA 98101

T 206.447.8921
brad.doll@foster.com

Brad has nearly 20 years of experience in litigation and advising clients on regulatory matters involving water quality, permitting and hazardous substances.

Brad's experience includes defending administrative and civil enforcement actions, environmental and land use permitting, and environmental litigation in federal and state forums. Brad also advises and represents clients in remediation of contaminated industrial and commercial sites, the distribution of liability for cleanup costs under state and federal regulations and in due diligence for real estate and business transactions.

Brad has been recognized in *The Best Lawyers in America*® and *Washington Superlawyers*. Prior to joining Foster Garvey, Brad was a partner at environmental and natural resources law firm, Doll Mack Wells PLLC.
