

"Discovery in Condemnation," The Seminar Group's 10th Annual Eminent Domain Program: Current Developments in Condemnation, Valuation & Challenges

Speaking Engagement

June 1, 2017

Portland, OR

Event Sponsor: Legal and Professional Education: The Seminar Group

Cynthia Fraser will present on "Discovery in Condemnation" on Thursday, June 1 at 3:30 PM PDT in the 10th Annual Eminent Domain seminar. She will discuss the latest issues to be concerned about, and who really should be deposed.

The seminar will include an overview and update of Oregon and Federal eminent domain and land valuation litigation, with emphasis on special appraisal problems in eminent domain cases and recent court decisions impacting state and federal eminent domain.

This program is a must for anyone involved in the governmental land acquisition process, whether as an attorney, appraiser, government official, or owner. You will hear firsthand from leading attorneys and appraisers with extensive practical experience in eminent domain.

For more details on the conference and to register, visit [The Seminar Group's website](#).
