

Pacific Coast College Health Association's Regional Conference

Speaking Engagement
October 2-3, 2025
Spokane, WA

[Andrew Schillinger](#) is speaking at the [Pacific Coast College Health Association's 2025 Regional Conference](#) October 2 and 3, 2025, on the WSU Health Sciences Campus in Spokane, WA.

Andrew's two presentations will unpack the legal implications of enrolling and billing Medicaid and Medicaid MCOs and protecting patients' health information within these clinics under applicable federal (e.g., FERPA, HIPAA) and state privacy laws.

Thursday, October 2, 3:50-4:50 p.m.

- "Legal and Compliance Risks Associated with Billing Medicaid"

Friday, October 3, 1:45-2:45 p.m.

- "Is it FERPA, HIPAA or Somewhere In Between? Student Health Clinics Navigational Struggles Through Federal and State Privacy Laws"

Attendees will leave these informative sessions with a broad understanding of key legal and compliance challenges commonly faced in student health clinic operations, along with practical strategies to consider, helping clinics navigate regulatory requirements and mitigate potential risks.

Learn more and register for the conference on the [American Health College Association's website](#).
