

"Employer Protocols for Managing Immigration Enforcement Visits," Cascade Employers Association

Speaking Engagement
November 13, 2025

[Leo C. Peng](#) is slated to speak at the Cascade Employers Association, a leading organization supporting employers in Oregon and Southwest Washington. His session will address worksite inspections by Immigration and Customs Enforcement (ICE) and other federal agencies, which can occur with little advance notice, making preparation essential. Leo will provide guidance on developing a clear, lawful response plan to protect both the organization and its employees.

To register, visit the [Cascade Employers Association](#) website.
