

Energy Northwest's 27th Annual Public Power Forum

Conference
October 24, 2024
Kennewick, WA

Foster Garvey is proud to sponsor [Energy Northwest's 27th Annual Public Power Forum](#), where attorneys [Stacie Amasaki](#) and [Marc Greenough](#) will be available to discuss legal support for the public power sector. This event provides a valuable platform for public power professionals to address the critical challenges and opportunities shaping the future of energy. Key topics on the agenda include cybersecurity, workforce development, fire mitigation and new nuclear technologies.

Visit [Energy Northwest's website](#) for more information and to register.
