

Quality Assurance & Public Governance Webinar

Speaking Engagement
March 4, 2026 | 12:00-1:00 p.m.
Webinar

Join [Mikaela Louie](#) on Wednesday, March 4, for the Association of Washington Public Hospital Districts webinar on Quality Assurance & Public Governance.

Mikaela's session will cover:

- The public hospital district board's role in quality assurance
- Legal protections for patient safety and quality improvement information
- Open Public Meetings Act considerations, including appropriate use of Executive Sessions
- HIPAA compliance in public governance

Visit the [Association of Washington Public Hospital Districts website](#) for more information and to register.
