Join [Brad Deutsch](#) on June 10 and 11 for two dynamic sessions at the [National Federation of Community Broadcasters \(NFBC\) 2025 Conference and 50th Anniversary Celebration](#) in Salt Lake City, Utah.

## Featured presentations:

### Tuesday, June 10, 10:45a-12:00p:

- "Ask an Attorney: FCC Compliance and You." Brad will provide an overview of FCC compliance hinge points ranging from licensure, the Online Public Information File, and EAS to an overview of the FCC's structure and oversight. Whether you're a broadcaster new to your station or need a refresher, this session is for you.

### Wednesday, June 11, 10:45a-12:00p:

- "Ask an Attorney: Keep your Underwriting Copy Legal." Underwriting rules and regulations can be one of the thorniest issues to tackle when running a community radio station. During this session, Brad will dive into both the simple and the complex nuances of underwriting.

Both sessions will contain a Q&A portion, and attendees are encouraged to bring their questions.

Visit the [NFCB website](#) for the complete agenda and to register.
