Foster Garvey was honored to sponsor and participate in the [Second Annual Washington Law Student Employment Retreat \(WALSER\)](#), hosted by the [Washington State Bar Foundation](#). The event welcomed 1L and LLM students from diverse, marginalized and underrepresented backgrounds for a full day of career development, networking and learning opportunities.

Paul Heer, Principal and Co-Chair of Foster Garvey's Recruiting Committee, played an active role in the Mock Interview program, helping students refine their interview skills and build confidence for future opportunities. Georgia Woodruff, Director of Legal Talent and Professional Development, represented the firm at the Employer Fair, where she connected with students about potential career paths at Foster Garvey.

We value opportunities to invest in the next generation of legal professionals and are inspired by the enthusiasm, talent and diversity represented at WALSER.
