

The AI Governance & Strategy Summit

Event
April 9, 2025
Seattle, WA

[Greg Duff](#) and [Erin Snodgrass](#) will attend the AI Governance & Strategy Summit on April 9, where they will join legal and technology leaders for a day of discussions on AI oversight. The event will feature executive case studies and expert panels examining how organizations are building governance frameworks in response to evolving regulations in the U.S., EU and beyond.

For more details and registration, visit the [Centerforce](#) website.
