

The IP Strategy Summit

Event
April 9, 2025
Seattle, WA

[Benjamin J. Hodges](#) and [Robert R. Teel](#) are featured speakers at the 2025 IP Strategy Summit on April 9. This summit is a premier gathering for IP professionals seeking to stay at the forefront of intellectual property law and strategy.

Ben will speak on the panel, “Maximizing Value: IP Enforcement & Monetization Strategies,” where he will share perspectives on how companies can approach enforcement with a business lens - leveraging litigation, licensing and settlement strategies to turn IP into a meaningful source of value.

Rob will join the panel, “Patent Prosecution: Innovation, Insights & Strategy,” discussing how legal teams are evolving their prosecution playbooks. He will speak to balancing innovation and budget realities, aligning filings with business priorities and using data to strengthen decision-making in today’s high-stakes IP environment.
