Chambers USA, published by Chambers & Partners, is considered a definitive resource for consumers of legal services in the United States. Through ranking tables and editorial, the guide provides reliable and trusted recommendations to enable readers to make informed decisions when selecting outside legal counsel.

Chambers USA contains rankings in nearly 80 different practice areas and sectors in all 50 states and Washington D.C. Ranking tables are compiled through assessment of a firm's work and opinions from external market sources, with an emphasis on client feedback. Firms and attorneys need to demonstrate sustained excellence to be ranked in the guide. The complete 2025 guide can be accessed on the [Chambers & Partners website](#).
