My years of experience on the bench and in private practice have demonstrated the importance of fully understanding personalities and how relevant facts and applicable law impacts the ability to help resolve business and family law disputes.

Judge Kessler serves as a private arbitrator, mediator and trial consultant. He currently arbitrates and mediates complex commercial, employment and healthcare disputes. Judge Kessler has served as the Chair of several 3-arbitrator panels, as a sole arbitrator, and as a mediator for these disputes.

Prior to joining the firm, Judge Kessler served on the bench of the New Jersey Superior Court, Essex Vincinage from 2009-2019 in the Chancery Division. During his tenure as a Chancery Division judge, he presided over and oversaw complex commercial non-jury trials and motions. He was frequently asked to lecture before bar and judicial groups on a variety of topics related to his areas of expertise and was also called upon to teach at New Jersey Judicial College and New Judge Orientation.

Prior to his service in the New Jersey Judiciary, Judge Kessler spent 35 years in private practice representing corporate and individual clients on complex litigation and business counseling. He also represented Chilton Memorial Hospital in Pompton Plains for 27 years and several physicians, physician practices, lawyers and law firms with respect to a variety of legal matters.

Results may vary depending on your particular facts and legal circumstances.
