

A Fearless New Year: Hacking the Fear of Public Speaking

Greenbaum, Rowe, Smith & Davis LLP, Iselin

January 17, 2018

Event Sponsor: Greenbaum, Rowe, Smith & Davis LLP Women's Leadership Forum

The fear of public speaking is widespread, anxiety-provoking, and on occasion so extreme that it can limit the impact of your communications and the successful pursuit of important business opportunities.

Join us for a very special hands-on workshop which will explore common challenges related to public speaking and provide tips and tools for managing and overcoming your fears.

Our speaker, Eduardo Placer, is a dynamic public speaking coach who leads game-changing workshops for women professionals throughout the U.S. and beyond.
