Professional Liability – Safeguards When Specifying Product Substitutions

APA Hotel Woodbridge, Iselin

September 26, 2018

Event Sponsor: American Society of Plumbing Engineers – New Jersey Chapter

Steven Nudelman, a partner in the firm's Litigation Department, will be the guest speaker at the September meeting of the American Society of Plumbing Engineers ("ASPE") – New Jersey Chapter. The program, "Professional Liability – Safeguards When Specifying Product Substitutions," will be held on September 26, 2018 at 6:00 pm at the APA Hotel Woodbridge in Iselin.

Mr. Nudelman will discuss engineer liability in interpreting specifications and making decisions on the use of proposed, equal products on a project. The presentation will be based on his July 2018 Legal Pipeline column in *Plumbing Engineer* magazine. To read click here: [Specification Etiquette](#)

ASPE is a nonprofit association for the advancement and development of plumbing engineering and related professions. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

Mr. Nudelman concentrates his practice in construction law and the representation of members of the construction industry across a broad spectrum of matters. His clients include owners, contractors, design professionals, subcontractors and suppliers involved in public and private construction projects throughout New Jersey. He also represents community associations, unit owners and developers in lawsuits involving construction defects, budgeting and financing issues, and condominium governance.
