

Addressing Risks and Legal Issues Associated with Drafting, Negotiating and Administering Contracts

Live Webcast

April 9, 2019

Event Sponsor: The Knowledge Group

Steven Nudelman, a partner in the firm's Litigation Department, will be on the faculty for the live webinar "Addressing Risks and Legal Issues Associated with Drafting, Negotiating and Administering Contracts," to be presented by The Knowledge Group on Tuesday, April 9, 2019 from 3:00pm – 4:30pm (ET).

The effective administration and management of contracts has always been a challenge faced by organizations, however over the years this process has become even more complicated. It is vital for businesses to have a full and deep understanding of the fundamentals of efficiently managing contracts and effectively avoiding risks and challenges in contract claims.

Key topics to be covered during this webinar include:

- Contract Management: Fundamentals
- Monitoring, Negotiating and Drafting Contracts: A Guide
- Scope and Coverage
- Identifying Risks and Pitfalls
- Common Red Flags

Mr. Nudelman concentrates his practice in construction law and the representation of members of the construction industry across a broad spectrum of matters. His clients include owners, contractors, design professionals, subcontractors and suppliers involved in public and private construction projects throughout New Jersey. He also represents community associations, unit owners and developers in lawsuits involving construction defects, budgeting and financing issues, and condominium governance.
