

A Practical Guide to Defending Against Residential Construction Liens

Harrah's Resort, Atlantic City

April 4, 2019

Event Sponsor: 2019 Atlantic Builders Convention, New Jersey Builders Association

Steven Nudelman will moderate a panel at the 2019 Atlantic Builders Convention, hosted by the New Jersey Builders Association at Harrah's Resort Atlantic City. The program, "A Practical Guide to Defending Against Residential Construction Liens," will be held on April 4 beginning at 12:00pm.

Now that eight years have passed since the New Jersey Construction Lien Law has been amended, how have builders been affected by the residential lien procedures described in Sections 20 and 21 of the Statute? This seminar takes a close look at the "nuts and bolts" of residential construction lien claims, as well as the most practical ways for a developer to defend against them.

The firm is also an exhibitor at the Convention and will be located in **Booth #618** on the Harrah's exhibition floor, which will be open on Wednesday, April 3 and Thursday, April 4 from 10:00 am – 4:00 pm each day.

The Atlantic Builders Convention (ABC) is the largest regional building industry tradeshow in the Northeast. With state of the art products, innovative services, and educational programs, ABC is also an excellent forum for networking and deal-making for building industry professionals. Additional information and registration at: www.abconvention.com.
