

How to Successfully Handle Fiduciary Responsibilities in a Difficult and Uncertain Environment

November 11, 2010

Event Sponsor: Greenbaum, Rowe, Smith & Davis LLP Webinar

Join us for a webinar designed to prepare plan sponsors for an uncertain market environment.

The state of the financial markets, the changing legal and regulatory and environments, and the threat of participant lawsuits make it a great time for plan sponsors to refresh current practices. In this webinar plan sponsors will learn how to update their practices from professionals on the front lines AND avoid trouble.

Who Should Attend:

- Business Owners
- Chief Financial Officers
- Human Resource Professionals
- Treasury and Controller Personnel
- Compensation and Benefits Personnel

Plan sponsors will learn:

1. The roles and responsibilities of a retirement plan sponsor
 - Plan governance
 - Delegation of responsibilities
2. Fiduciary “best practices”: A roadmap for success
 - How to avoid problems
 - How to get into trouble
3. Keys for a successful investment committee
4. Fee Benchmarking
 - How to succeed and save dollars

Attorneys
