Am I Covered? – Understanding Your Professional Liability Policy and Trending Claims

NJSBA 2025 Annual Meeting and Convention
May 15, 2025

Event Sponsor: New Jersey State Bar Association

Robert B. Hille, a partner in the firm's Healthcare and Litigation Practices, will be a panelist for the presentation "Am I Covered? – Understanding Your Professional Liability Policy and Trending Claims" at the New Jersey State Bar Association's 2025 Annual Meeting and Convention. The program is scheduled for Thursday, May 15 from 8:45am – 10:00am at the Borgata Hotel, Casino & Spa in Atlantic City.

This seminar promises to reach a broad range of interested people, including: managing partners and/or other attorneys responsible for securing and/or renewing legal malpractice insurance and informing the carrier of potential claims and who need to know whether certain acts or omissions are covered under the firm's professional liability policy; new and experienced attorneys who need to learn when to advise of a potential claim; and non-attorneys within law firms responsible for securing and/or renewing insurance policies and/or reporting claims. This seminar will provide an understanding of professional liability coverage for attorneys and law firms, including scope of coverage, what may be a claim, claims-made policies, responsibilities for providing notice, and the significance of the timing of reporting a claim. Next, the panelists will delve into several real life, "trending" scenarios or hypotheticals and discuss whether coverage would be provided under a legal malpractice or other type of policy. The topics to be discussed include the following: whether acts or omissions of non-lawyers, including paralegals and legal assistants, are covered; cyber risks and exposures (to self, firm, clients, third parties, and vendor risk considerations), and artificial intelligence risks and exposures, as well as ethical implications.

Bob is a past President of the NJSBA. He focuses his practice in litigation, with a particular emphasis on trial advocacy. His areas of concentration include insurance, healthcare law, professional liability and ethics, and
