

Energy and Environment Policy Committee Meeting

Virtual

May 27, 2025

Event Sponsor: New Jersey Business & Industry Association

George W. Crimmins, Counsel in the firm's Environmental practice, will be a presenter at a virtual meeting of the New Jersey Business & Industry Association's (NJBIA) Energy and Environmental Policy Committee on Tuesday, May 27, 2025, from 9:00am – 11:00am. The meeting will be presented on the Zoom video conferencing platform.

George will explain how the A901 process works and what businesses need to know about compliance with dirty dirt regulations. Other topics on the meeting agenda are:

- Building Electrification Efforts and Opportunities
- DEP Guidance on Environmental Justice (EJ) Implementation
- Making Your Community Resilient to Extreme Weather and Flooding
- Legislative and Regulatory Updates

George concentrates his practice in environmental law and renewable energy. He has extensive experience advising clients on complex transactional and regulatory environmental issues, including sustainable development, permitting, regulatory compliance, and the investigation and remediation of environmental contamination.

The NJBIA is the largest statewide employer association in the country. The group's 20,000 members represent every industry in New Jersey, including contractors, manufacturers, retail and wholesale businesses, and service providers of every kind. NJBIA member companies employ over 1 million people.

Additional information and registration for this member-only event on the NJBIA website.
