

Greenbaum Rowe Continues its (Free) Legal Stimulus Webinar Series for Business Owners and Professionals

May 27, 2009

Before the Stimulus Legislation was passed by Congress, the lawyers and marketing staff at GRSD asked themselves: "What do our clients need to know to weather the recession?" The result is a webinar series treating the issues and problems business owners face: getting paid, dealing with distressed real estate, finding a banker and getting financing, how to economize on employee benefits, dealing with a business divorce and avoiding financial distress.

All of these topics are part of the Legal Stimulus Webinar Series broadcast by Greenbaum lawyers and other professionals. Each webinar is free, runs between noon and 1 pm, and is interactive; webinar attendees can ask questions of the presenters via email.
