

Litigation Practice Included in Benchmark Litigation 2013

February 14, 2013

We are pleased to announce the inclusion of Greenbaum, Rowe, Smith & Davis' litigation practice in the 2013 edition of *Benchmark Litigation*, a guide to leading U.S. trial attorneys and litigation firms. The publication is the only one in the market to focus exclusively on litigation at the local and national levels.

In addition to Greenbaum's listing among recommended firms in New Jersey, a number of our attorneys are recognized individually in their respective areas of practice.

- **Paul A. Rowe**, Chairman of the firm and Chair of the Litigation Department, is listed as a Local Litigation Star in the areas of General Commercial and Construction.
- **Barry S. Goodman**, Litigation partner and Chair of the Real Estate Brokerage Practice Group, is listed as a Local Litigation Star in the areas of General Commercial and Antitrust.
- **Marc J. Gross**, Litigation partner, is listed as a Future Star in New Jersey.

Each year, Benchmark Litigation conducts six-month research period where researchers conduct extensive interviews with litigators and their clients to identify the leading litigators and firms. During these interviews, researchers examine recent casework handled by law firms and ask individual litigators to offer their professional opinions on peers.
