# 2023 CONSTRUCTION LAW LEGISLATIVE YEAR-IN-REVIEW

Advisory

12.29.23

In 2023, 18 different bills impacting the construction industry were introduced as prospective laws in Florida. Ultimately, nine of those were signed into law, with effective dates ranging from April 2023 to October 2023, including one of the most extensive overhauls of Florida's Construction Lien Law in several years. Read the full advisory for details.
