

OSHA RELEASES EMERGENCY TEMPORARY STANDARD ON COVID-19 VACCINATIONS AND TESTING FOR EMPLOYERS WITH 100 OR MORE EMPLOYEES

Advisory

11.5.21

The Occupational Safety and Health Administration (OSHA) has published its long awaited Emergency Temporary Standard (ETS) that establishes minimum COVID-19 vaccination, vaccination verification, face covering, and testing requirements for many employers throughout the United States. In short, subject to a few exceptions, private employers with 100 or more employees must ensure that all workers are fully vaccinated unless the employer requires unvaccinated employees to undergo weekly testing and wear a face covering. Learn more about what this means for you and your business.
