ADMINISTRATIVE/ REGULATORY

Increasingly, businesses and other organizations must grapple with the many challenges of government-imposed areas of new and expanding regulation. Administrative compliance has become an increasing area of concern within a variety of different industries. Governmental updates are issued on a regular basis, and it often becomes difficult to continually monitor the many complex and changing regulations.

At Hill Ward Henderson, we work with federal, state and local government entities and agencies to stay abreast of the latest proposed and recently-enacted legislation to determine compliance issues and to look out for the best interests of our clients and their industries. Our Administrative and Regulatory attorneys are experienced at all levels of government and include individuals who have previously served as legal counsel, working for both the U.S. Attorney's Office and the State Attorney's Office in Hillsborough County.
