Hill Ward Henderson is pleased to announce its sponsorship of the Hillsborough Education Foundation's *Tools 4 Schools Breakfast* on September 19 at the Hyatt Regency Tampa. More than 50,000 Hillsborough County students start their day without pencils, paper and other items they need to do their work. The breakfast is the Foundation's largest fund-raising event for the Teaching Tools program. This unique program provides supplies directly into the hands of children who could otherwise not afford them. Hill Ward Henderson is pleased to help give children the tools to succeed from the first day of school to the last through its sponsorship of the breakfast.
