

General Counsel Services

Laner Muchin offers value-based outsourced general counsel services for companies that do not have the need for an in-house lawyer. Our attorneys bring real-world experience from their days acting in the general counsel role or running companies of their own, demonstrating they understand the impact of practical advice across a company's functions.

Our attorneys allow companies to grow by developing favorable contracts with employees and vendors, negotiating real estate and HR issues, and managing board relations and other critical areas of a well-run business.
