About Leading Lawyers

Leading Lawyers has grown out of the extensive legal experience Law Bulletin Media provides, and is the most trusted and respected resource to locate reputable, experienced lawyers. The practice of law is unique in that you truly need to be a lawyer to judge the quality, experience and reputation of other lawyers. Leading Lawyers surveys lawyers, asking them which of their peers, indeed their competitors, they would recommend to a family member or friend if they could not take a case within their area of law or geographic region.

To maintain the quality and credibility of the survey, lawyers cannot nominate themselves or anyone at their own law firm. Based upon survey nominations and approval by our Advisory Board, only the top lawyers are nominated and eligible for membership in Leading Lawyers. Starting in Illinois and eventually worldwide, Leading Lawyers provides extensive profiles of the most respected and experienced lawyers to assist you in your search for a highly qualified lawyer.
