Clifford R. Perry III

Laner Muchin is proud to highlight Partner Clifford Perry's recent feature in Super Lawyers magazine, recognizing his dedication to Special Gifts Theatre (SGT) as a board member and his role as executive producer of the documentary *Becoming Bulletproof*.

Cliff's involvement with SGT, a nonprofit providing educational and therapy-based theatre programs for individuals with special needs, began as a meaningful way to give back to the community. Serving on the board, Cliff has witnessed firsthand how SGT's programs empower participants to build confidence, develop social skills and achieve remarkable milestones. His commitment deepened when he became executive producer of *Becoming Bulletproof*, a documentary about the making of a Western film featuring performers with disabilities.

Cliff's contributions—both in the courtroom and in the community—exemplify Laner Muchin's commitment to creating positive change. Read the full article [here](#).
