

visas for the u.s.: what are your options?

MSK Client Alert

December 1, 2016

This post is for the many French people who ask me on a regular basis about the U.S. visas that are available to them.

Several visa categories exist. This post will focus on the most commonly used in the case of French nationals: the E2 (for investors); the L1 (intracompany transfer); and the O1 (extraordinary ability). The H1B is also widely used but it will be the subject of a stand-alone post in the not too distant future.
