

msk's annual labor & employment update

January 11, 2017

NEW LAWS

Newly Enacted California State Laws

California New Minimum Wage (SB 3). While the federal minimum wage remains at \$7.25 per hour, effective January 1, 2017, California's minimum wage increased to \$10.50 per hour and is set to increase incrementally each year (subject to possible temporary delays for general economic or budgetary reasons in the Governor's discretion) until it reaches \$15 in 2022.
