

are you reddy for the audit?

Jeffrey Davine
MSK Client Alert

June 5, 2019

We regularly assist clients with worker classification audits that are conducted by both the Internal Revenue Service (the "IRS") and the California Employment Development Department (the "EDD"). It appears that these types of audits may be occurring with greater frequency than in the past. Waiting until after the IRS or the EDD comes calling to review the status of these workers is not a good option.
