March 17, 2020

Escalating health concerns, governmental restrictions, empty shelves at retailers, supply chain disruptions, and wild gyrations in the financial markets. The COVID-19 virus and steps taken to reduce its spread are impacting more businesses in more ways each day.

In order to put yourself in the best position to weather this storm and recover as quickly as possible, it is vital that you consider and fully understand the defenses you or your business partners may have under your contracts, and whether you have any insurance coverage for your COVID-19 losses.
