*MSK Client Alert*

April 15, 2021

As expected, the first batch of lawsuits challenging COVID-19 vaccine mandates are popping up across the country—a possibility that we noted in an earlier post on this subject. So far, at least two federal lawsuits have been filed based on the fact that the COVID-19 vaccines currently in use are only available under an Emergency Use Authorization (“EUA”) from the FDA, and thus cannot be required by employers...
