February 22, 2022

Last week, California's Department of Industrial Relations released FAQs for the state's recently enacted 2022 COVID-19 Supplemental Paid Sick Leave law. Highlighted below are several clarifying points from the FAQs.

Read our general breakdown of the new law [here](#).

Definition of Quarantine or Isolation Period

The FAQs clarify that the guidelines that would apply to determine whether and for how long a family member would need to isolate or quarantine are the CDPH guidelines, currently available [here](#). For guidance on when an *employee* may be required to isolate or quarantine from the workplace, the FAQs point to...
