legal expertise

Ty Glaze advises clients on a broad range of corporate and transactional matters, with experience supporting mid-market and high-profile domestic and cross-border transactions, including mergers and acquisitions, private equity investments and buyouts, early-stage financings, joint ventures, strategic alliances, and secondary sales. Her practice includes drafting and negotiating transaction documents, managing key M&A workstreams through closing, coordinating due diligence and specialist input, and advising on corporate governance, restructuring, and other complex transactional matters.
