David Rugendorf spoke on the *Daily Journal* podcast, "SCOTUS Sum-Up," on Friday, June 30, 2017.

From *Daily Journal*:

"What's a 'bona fide' relationship? When will SCOTUS opine on public firearm carry? How high is the wall between church and state? Why can't statutes of repose be equitably tolled? Will sports gambling come to California? Our guests have the answers, as OT2016 culminates with a crescendo.

This week's guests address the biggest issues ruled on in this last week of SCOTUS activity before the summer recess, and preview a couple of looming cases granted for next term."
