

theatrical vs streaming: a shifting paradigm

500 E Cesar Chavez St, Austin, TX 78701

March 10, 2018
12:30 PM - 1:30 PM (CDT)

Orly Ravid will be speaking on the panel, "Theatrical vs Streaming: A Shifting Paradigm," at **SXSW 2018**. This panel will take place on Saturday, March 10, at 12:30 PM (CDT).

This panel will address the pros and cons in selling your film to a streaming service versus a traditional distributor. We will also discuss the impact of streaming on international theatrical windows and the different distribution platforms that are available in territories in and outside of the US. The panel will also provide case studies, and create a dialogue between the panelists and the audience.
