

gdpr and its impact on security firms

Sands Expo Center 201 | East Sands Avenue, Las Vegas, NV 89109

April 11, 2018

2:30 PM - 3:30 PM (PST)

Su Ross will be speaking on the panel, "Countdown to GDPR: Impact on the Security Ecosystem and How to Prepare," at the **International Security Conference & Exposition** (ISC West) in Las Vegas, Nevada. This session will take place at the Sands Convention Center, Wednesday, April 11, from 2:30 – 3:30 PM (PST), Room 302, Level 1.

During this session, the speakers (below) will focus on how every security firm serving customers and employees located in the European Union needs to be aware of and have a GDPR program. Having a GDPR program will ensure compliance, meet customer needs and avoid costly fines for the firm.

Moderator:

- Jake Parker, SIA Director of Government Relations

Speakers:

- Jasvir Gill, CEO, Alert Enterprise
- Susan Ross, Partner, Cybersecurity and Privacy Practice Chair, Mitchell Silberberg & Knupp LLP
- Lora Wilson, Director of Marketing, Axis Communications
