Long Beach Convention & Entertainment Center | 300 E Ocean Blvd, Long Beach, CA 90802

September 18, 2018  
9:45 AM - 10:45 AM (PST)

Su Ross will be speaking on the panel, "Hacked! Cyberthreats to Intermodal," at the **Intermodal EXPO** in Long Beach, CA. This panel will take place on Tuesday, September 18, at 9:45 AM (PST).

In an age of hackers and bitcoin, saying "it won't happen to me" is not a strategy. An anonymous hacker has the power to bring even the largest transport organization to its knees in minutes, and preventing such attacks takes constant vigilance. Does blockchain offer a potential tool to help combat hacking? What are the rules of "good digital hygiene" and how can we harden our far-flung operations against this mounting threat?
