Su Ross will be presenting to the **Customs Brokers and Forwarders Association of Northern California** (CBFANC) on "232 & 301 Trade Issues - Steel, Aluminum, & China Issues." This seminar will take place on Thursday, July 26 at 8:00 AM in South San Francisco, CA.

As part of the CBFANC Educational Series, this seminar will focus on understanding and managing tariff rate increases on steel & aluminum (232) and China trade issues (301), as well as how to make sense of these issues.

Agenda includes:

- Increased tariffs on Steel (25%) & Aluminum (10%) under Section 232 – understanding impacts to the commodities affected and the overall trade environment
- Newly imposed tariffs on Chinese goods under Section 301 – how intellectual property rights and various business practices are targeted
- How to manage the rapidly changing trade climate:
 - Acting quickly to capture the tariff modifications
 - Proper reporting and handling of CF28s and CF29s
 - Dealing with liability issues and quantifying your potential risk exposure
