

calculating s corp stock and debt basis: avoiding loss limitations and excess distributions

Webinar

February 13, 2019
1:00 PM - 2:50 PM EST

On Wednesday, February 13th, Robin Gildea will be speaking on a Strafford live webinar on "Calculating S Corp Stock and Debt Basis: Avoiding Loss Limitations and Excess Distributions."

Robin will discuss calculating and maintaining accurate S corp stock basis, understanding basis items specific to S corporations, applying loss limitation rules, identifying and tracking debt basis, and calculating basis with a view toward sale, liquidation or redemption.
