

world cinema & blockchain technology (cannes)

Palais des Festivals, Cannes, France

May 18, 2019
1:00 PM - 2:00 PM (CEST)

Orly Ravid will be speaking on the panel, "India UNCHAINED: Taking curated world cinema to India's filmfans - via myNK VOD using secure blockchain technology," at the **2019 Cannes Film Festival**. This panel will take place on Saturday, May 18 at 1:00 PM (CEST).

This panel will serve as a first person interaction with industry stalwarts on how they see blockchain tech addressing current distribution and piracy concerns. Anurag Kashyap (acclaimed filmmaker) and Orly Ravid (MSK, The Film Collaborative) will discuss a new solution combining a curated VOD platform with filmfan engagement incentives to bring world cinema to the world's largest film market.

Moderator: Wendy Bernfeld - Rights Stuff, Netherlands

Speakers:

- Orly Ravid, MSK, The Film Collaborative, USA
- Anurag Kashyap, Film Maker, India
- Deepak Jayaram, MinersINC, India
- Nitin Narkhede, MinersINC, India
