Orly Ravid will be providing opening remarks and serving as the keynote speaker at the **2019 Chicago Film Festival Symposium**, taking place July 19 at the Chicago Cultural Center. Through Orly's speech, attendees will learn about the film ecosystem, key stakeholders, and top trends pertaining to film festivals.

The 2019 Chicago Film Festival Symposium is described as "a full day of speakers, panels, and participatory sessions in which representatives from regional film festivals will share challenges and build strategies towards the common goal of sustainability."
