Mark Hiraide will be speaking on the panel, "Esports Operational Pitfalls" at the Inven Global Esports Investment Summit 2020 on Tuesday, January 21st, in Irvine, CA.

This panel will take place at 4:45 PM and will provide an in-depth look at the legal side of esports, including how to avoid pitfalls in the evolving space.

About the Inven Global Esports Investment Summit

Esports is a nascent but rapidly growing sector within the multi-billion dollar gaming industry.

As innovation and pop culture are driving the explosive growth in user and viewer participation, entrepreneurs and content creators are seeking the capital to fund these emerging companies and platforms.

This unique investment summit will bring together leaders in esports and technology, as well as the investors and capital sources financing this hot sector. The event will include a global esports market update, panel discussions on sources of capital and investment best practices, and a pitch competition by selected high growth esports companies seeking early stage funding.
