Round Tables: Sales, Acquisitions, and Distribution

March 14, 2020 | 2:00-3:00 PM (CDT)

*Advance RSVP is available to Primary Entry badge types only. Walk-ups may be accepted on a first come, first served basis.

An extension of our popular Mentor Sessions, our Round Table Sessions not only allow attendees to learn from the industry experts that sit at each of the three tables in this session but they also allow attendees to learn from the questions and experiences of their peers as well. This Round Table Session will bring together industry experts and SXSW attendees for an enlightening discussion on sales, acquisitions, and distribution.

Sign up via the online schedule or the SXSW GO app to guarantee yourself a seat at the table. Online signups for these popular sessions will open in mid-February. Registrants who sign up online must check-in 30 minutes before the session to guarantee their spot. Walk ups will be allowed onsite if there are any drop outs.
