# reclaim your workplace: creating a resilient environment post pandemic

---

September 15, 2020  
11:00am PT / 2:00pm ET

Please join MSK, Inpixon, and CBRE Host for a live virtual roundtable, **Reclaim Your Workplace: Creating a Resilient Environment Post Pandemic**, discussing how companies can bring people back to work safely. The event will be moderated by CNN's Aditi Sangal and feature a panel including MSK Partner Jeremy Mittman, Inpixon CEO Nadir Ali, and CBRE Host Global Product & Technology Lead Brennan McReynolds. The panel of industry experts will explore topics including which technologies industries are using to adapt to the current constantly-changing landscape, and the potential legal challenges that might arise as a result of return-to-work initiatives.
