

cybsersecurity: fact or fiction?

October 20, 2022

This session will feature a fireside chat between Supervisory Special Agent Ron Manuel (who leads the FBI's Los Angeles Cyber Task Force) and Susan Kohn Ross (who Chair's MSK's Cybersecurity and Data Privacy Practice Group). Topics to be discussed include:

- Latest means and methods used by hackers to get into your systems;
- Can/should you pay the ransomware demanded;
- Helpful hints regarding ways your company can minimize the likelihood of the hackers' success;
- What you need to provide to the FBI when you ask for their help;
- Best practices to prepare for a hack and how you can minimize the impact.

Deringer customers can access the recorded session, [here](#).
