MSK Partner Yakub Hazzard is speaking on the panel, "Latest Film and Television Accounting and Legal Trends," at the American Bar Association's Bright Lights, Big Opportunities: Best Bets in IP, Sports, and Entertainment Law Conference on November 14, 2024.

The panel will cover topics including:

- Trends with respect to key financial terms impacting the net profits of film and television;
- Trends with talent compensation, profit participation terms, and other financial deal terms;
- Overview of key film and television litigation matters and the key take aways for future deal making; and
- Trends with respect to film and television production financing (including equity, loans, incentives, and other) and assessment of current state of production as it relates to studios and other production companies.
