

the use & benefits of artificial intelligence for trade compliance

Virtual (Zoom)

October 7, 2024

3:00PM EST

Event Sponsor: American Association of Exporters and Importers

Su Ross will be speaking on the panel, "The Use & Benefits of Artificial Intelligence for Trade Compliance" for AAEL's new webinar series, offering expert insights and practical guidance on complex trade issues.

About the panel...

AI is transforming industries, and trade compliance is no exception. From automating processes to enhancing decision-making, the benefits of AI can streamline your operations and ensure compliance in ways you never imagined. But where do you begin?

Join us on October 2 for the first in a series of AI-focused webinars, where we'll explore practical steps to identify and implement AI in ways that align with your company's trade compliance strategy.

Don't miss this opportunity to equip yourself with the knowledge necessary to leverage AI for optimal trade compliance.
