### Video Game Bar Association 2025 LA Summit

June 3, 2025

Theresa Bowman is speaking on the panel, "AI Object, Your Honor," at the Video Game Bar Association's 2025 LA Summit on June 3, 2025.

In this panel, experts will discuss the intersection of video game law and artificial intelligence/machine learning, including major legal hurdles (e.g., licensing, regulations, possible infringement concerns), unique investment models, and ways that video game companies can mitigate risk when implementing AI.
